

## Guidance Notes for Golf Days

---

Please help your party to enjoy their visit by ensuring that everybody is aware of these guidelines.

### **Golf Day Deposits:**

Golf day deposits are **£5.00 per person**.

These must be paid within **14 days** of making a provisional booking. Bookings may be removed from our system if deposits are not received in time.

Final numbers must be confirmed **14 days** prior to arrival. After this point there will be a deduction of £5.00 per person from your deposit for each cancelling person.

### **Methods of Payment:**

We accept the following credit/debit cards: Visa, MasterCard, Switch, Delta and Connect. Card payment may be made over the phone. Cheques are also accepted made payable to "Farthingstone Golf Course". Please clearly write the organisers name and the booking date on the back of the cheque. We do not at present accept American Express.

### **Golf Day Check In:**

Please make sure that you leave yourself time to be ready on the tee at your appointed time.

Please pay for your day prior to teeing off.

If your group is having a meal after their golf please ensure that they have made their menu choices prior to teeing off.

### **Dress Code Golf Course:**

Please ensure all players wear suitable golf clothing, no jeans, trainers, vests or inappropriate shorts. Golf shoes must be worn on the golf course.

Please be advised that players may be stopped from playing if they are not appropriately dressed, without refund.

### **Handicap Certificates:**

Whilst a certificate of playing ability is not required at Farthingstone the appropriate golfing etiquette and knowledge of golfing rules is expected, and we reserve the right to refuse access if it is judged that individuals do not display the required etiquette and/or knowledge.

### **Dress Code Clubhouse:**

The general dress code in the club house is smart casual. Shorts or vests should not be worn in the dining room. Caps and vests (males) may not be worn in the clubhouse.

Golf shoes of any description are only permitted in the Pro Shop and Changing room areas. Please DO NOT wear golf shoes (including soft spikes) in the bar, restaurant or hotel.

**Mobile Phones Policy:**

Please refrain from holding mobile phone conversations whilst on the golf course or in the club house bar and dining areas.

**Wi-Fi:**

Wi-Fi is available free of charge in the bar areas.

**Golf Buggies:**

The use of golf buggies is weather dependant.

Guests own golf buggies are strictly prohibited. (Unless they are registered disabled and have their own insurance policy covering public liability, these will need to be seen by the staff and a disclaimer signed.)

Golf buggies must be driven with due care and attention. Only two occupants and two golf bags are allowed to travel on a golf car at any time. No one under the age of 18 may drive a golf car.

**Food and Drink:**

It is strictly prohibited for visitors to consume their own alcohol and food on the premises or golf course.

**Playing Conditions:**

In order to keep the course in good order regular maintenance and aeration is essential, operations such as hollow tining are an essential part of standard golf course maintenance and as the timing depends on weather, and other factors, we are not always aware of when this will occur.
